Her Excellency Madam Ambassador Rony Yedidia-Clein,

Objet : KKL-JNF Israel collaboration with the NGO J'AIME ISRAËL in Côte d'Ivoire

Your Excellency Madam Ambassador Yedidia-Clein,

We are happy to inform you that since 2013, Keren Kayemeth Lelsrael (KKL-JNF) has been working in a successful collaboration with the NGO J'AIME ISRAËL in Côte d'Ivoire that was founded by the President Jonas Naky.

We appreciate very much his voluntary work and his devotion to the cause of KKL- JNF and to the people of Israel.

We even invited him last October 2022 to Jerusalem to the World Conference of Presidents of KKL-JNF, from where he was able to see in person the achievements, challenges and objectives to be achieved.

In addition, He informed us that he is organizing very soon a national tree planting operation in Israel, with the Leaders of Christian Communities and organizations friendly to Israel, where the official launch of which will take place, by the grace of God, on March 10, 2023.

We are fully supporting his efforts, and he will be able to benefit from our moral and material support for the promotion of the objectives of KKL JNF in Côte d'Ivoire.

I am sure that your involvement and any kind of support to the work of the NGO J'AIME ISRAËL in Côte d'Ivoire will help them to succeed in supporting KK-JNF and Israel

Sincerely yours,

Michael Ben Abu
