Re: **Appreciation for your contribution to the success of the global memorial ceremony marking 30 days since the murderous terrorist attacks**

Shalom,

On Sunday, the 21st of Heshvan 5784, November 5, 2023, the National Institutions held a world-wide memorial ceremony, in which all of us, the Jewish nation, united to remember those murdered in the horrific terrorist attacks.

The unwavering commitment of our people to our shared destiny is measured today more than ever. The ceremony was attended by representatives of 128 communities from 31 countries around the world, including your community.

On my behalf, and on behalf of the heads of the National Institutions, I would like to thank you and your community for your participation in the global ceremony, for holding the rally in your country and for raising public awareness for the immediate release of the abductees.
