To whom it may concern

Dear Mr. Jonas Naky,
Alumni of Mashav 2005 / Shefayim
Founding President of the Ngo "J'aime Israel"
President of the Federation of the Association of friends of Israel for
development in Africa

Shalom Shalom to you, our dear friend in Côte d'Ivoire that has been
collaborating with us and supporting the KKL-JNF in Israel since 2014.

I am very pleased to hear about your initiative to organize the festivities of the
Holiday of Trees, *Tu Bishvat* and to take a leadership role in organizing the
various activities in Côte d'Ivoire and the entire region of the nearby African
countries.

As we appreciated very much your voluntary work and your devotion to the
cause of KKL- JNF and to the people of Israel, we have invited you to
participate in our international conference of our allies and friends from around
the world. Since then, we got to know you in person and trust your
volunteering work and commitment to KKL- JNF in Israel, that you do on
behalf and together with the various Christian communities and others friends
of Israel in Côte d'Ivoire.

We are fully supporting your efforts, and you will be able to benefit from our
moral and material support for the promotion of the objectives of KKL JNF in
Côte d'Ivoire.

I am sure that your involvement and any kind of support to the work of the
NGO J'AIME ISRAËL in Côte d'Ivoire will help them to succeed in supporting
KK-JNF and Israel.

I would like to thank you again for keeping us close to your heart, especially
during the difficult times after October 7, 2023, and for so many years.
We look forward to collaborating with you furthermore in the future.

Warm regards, Sincerely yours,

Michael Ben Abu
